YOUR CENTRAL OFFICE

Tradition Seven

© Anyone who has ever sent a contribution to the Central Office has seen these words:

Thank you for supporting your Central Office. Your donations help make it possible for the hand of Alcoholics Anonymous to be there for those who reach out for help in our local area. We at Central Office provide a number of services acting as a clearinghouse for the convenience of members and groups. We provide phone service for twelfth step calls and other inquires. We help with the coordination of group activities and we keep track of meeting times and changes and print the schedules. We also edit and print our monthly newsletter. In addition we sell all Alcoholics Anonymous General Service Conference Approved Literature and some other materials. Thank you for making this all possible. The Central Office is your office, and the headquarters of A. A. in Hillsborough and East Pasco Counties. We thank you for your support in helping us to accomplish our primary purpose --- to stay sober and help another alcoholic to achieve sobriety."

© With that said, every month we hold a Board and Council meeting here at Central Office on the second Tuesday of the month from 6:00 pm until 8:00 pm. All Groups are encouraged to send a representative of their group to the meeting. The Central Office Representative is elected by their Group. They attend the monthly meeting, which keeps a two-way flow of information going on between the Central Office and the Groups. They then attend the business meeting (Group Conscience) of their Group and ask for suggestions, comments, and opinions, if any, to take to the next Central Office meeting. The Central Office Representative is the Groups link to those elected (Board of Directors) to maintain and operate the Central Office. The monthly Central Office meeting might be compared with a shareholder's meeting. It is here that your Group's wishes can be known through you, their elected representative. An average meeting usually consist of maybe 25 to 40 groups being represented. The Board has the authority and the responsibility for the operation of the Central Office. The Board recommends and provides ways and means for the financing of the Central Office. The actions and policies of the Board are subject to the approval of the Tri-County Group Representative Council. The Board has the authority to appoint committees to handle specific assignments as the occasion arises. So now you have a general idea of

SELF-SUPPORTING alcoholics? Who ever heard of such a thing? Yet we find that's what we have to be. This principle is telling evidence of the profound change that A.A. has wrought in all of us. Everybody knows that active alcoholics scream that they have no troubles money can't cure. Always, we've had our hands out. Time out of mind we've been dependent upon somebody, usually money-wise. When a society composed entirely of alcoholics says it's going to pay its bills, that's really news. Probably no A.A. Tradition had the labor pains this one did. In early times, we were all broke. When you add to this the habitual supposition that people ought to give money to alcoholics trying to stay sober, it can be understood why we thought we deserved a pile of folding money. What great things A.A. would be able to do with it! But oddly enough, people who had money thought otherwise. They figured that it was high time we now-sober-paid our own way. So our Fellowship staved poor because it had to. There was another reason for our collective poverty. It was soon apparent that while alcoholics would spend lavishly on Twelfth Step cases, they had a terrific aversion to dropping money into a meeting-place hat for group purposes. We were astounded to find that we were as tight as the bark on a tree. So A.A., the movement, started and stayed broke, while its individual members waxed prosperous. Alcoholics are certainly all-or-nothing people. Our re-actions to money prove this. As A.A. emerged from its in-fancy into adolescence, we swung from the idea that we needed vast sums of money to the notion that A.A. shouldn't have any. On every lip were the words "You can't mix A.A. and money. We shall have to separate the spiritual from the material." We took this violent new tack because here and there members had tried to make money out of their A.A. connections, and we feared we'd be exploited. Now and then, grateful benefactors had endowed clubhouses, and as a result there was sometimes outside interference in our affairs. We had been presented with a hospital, and almost immediately the donor's son became its principal patient and would-be manager. One A.A. group was given five thousand dollars to do with what it would. The hassle over that chunk of money played havoc for years. Frightened by these complications, some groups refused to have a cent in their treasuries. Despite these misgivings, we had to recognize the fact that A.A. had to function. Meeting places cost something. To save whole areas from turmoil, small offices had to be set up, telephones installed, and a few full-time secretaries hired. Over many protests, these things were accomplished. We saw that if they weren't, the man coming in the door couldn't get a break. These simple services would require small sums of money which we could and would pay ourselves. At last the pendulum stopped swinging and pointed straight at Tradition Seven as it reads today.

* In 1954, the name of the Alcoholic Foundation, Inc., was changed to the General Service Board of Alcoholics Anonymous, Inc., and the Foundation office is now the General Service Office.

Al opened the meeting in the usual matter by asking if everyone was signed in and please turn down your cell phones. This was followed by the Serenity Prayer. Jim M. read the May minutes. There was no discussion and a motion to approve the minutes was made and seconded. All were in favor. Stan P. presented the May Treasurer's report. Stan noted that last month the Council had not been informed that Patti was stepping down as our auditor and we were getting a new auditor. Al replied that he wanted to wait and talk with the new auditor first before he informed the Council. Stan continued with his report noting that May had not been a good month. Contributions appeared down. Stan also noted that the staff salaries were over budgeted and needed to be corrected. Tim was asked to correct this. Jim asked about the numbers budgeted for the phone and asked if this could be corrected also. Motion was made to accept the Treasurer's report. Seconded and all were in favor. Old Business centered around the idea of cashing in one of the CD's from our Prudent Reserve to use to stock up on literature since it seemed that we keep running out very often. Jim and others had concerns that if we do this it it doesn't help the problem do we have a backup plan to replenish the CD? Lots of discussion followed about how to inform the groups of our need for support. The question also arose on how to bring in support from those groups who have not been supporting Central Office. Was it because they didn't know or what? Finally after much more discussion a motion was made " to have Tim cash in one of the CD's at his discretion to use to buy literature." The motion was seconded and the motion passed. Al then introduced our new auditor Tim P. Tim spoke for several minutes qualifying himself. Several questions were asked by Board members. More discussion followed on different ideas again about the CD's, maybe making a separate account for literature and one for regular operating expenses-etc. Willow made a motion "that we accept this gentleman as our auditor." Motion was seconded and all were in favor. At the Council meeting, Al presented Chris S. with a Certificate of Appreciation since he was rotating off the Board and this was his last night. New Central Office Reps were recognized. After the minutes and Treasurer's report were read and approved we went into Old Business. Brian noted that the Turning Point Group was going to do an All Groups meeting/picnic July 2 @ 2:00 pm at the Turning Point location. Dale made it know that the Recovery Club of Brandon was available if anyone wanted to use the facilities for an event. Ness said his group was thinking about doing an All Groups. He would bring information next month.

In New Business discussion was bought up by Al concerning the cashing in of one of the CD's to use to stock up on our literature supplies and that the Board had approved the idea. Lots of discussion followed. Al asked Jim M. to expound on the idea he had presented on what we could do to make more money flow into Central Office, reservations on taking a third of our prudent reserve to put into the business without a plan to replenish it, how to change the culture of AA in our area from just putting a buck in the basket to putting two or more. Lots of people had different ideas to share on the matter. Gene was concerned about the lack of DCM participation in his area. How do we get involved. Tim suggested that you go the District and voice your concerns. Several more suggestions and comments were throw out for everyone's consideration. Lots of sharing about the state of AA in the area filling up most of the meeting. What it used to be like and what it's like now. At some point the Council approved the Board's decision to cash in one of the CD's.

New Meeting Schedules will be available in early July. Because of new pages added—expect a slight price increase.
