### **STEP SEVEN SET ME FREE**

### Once completely fried, an old-timer recalls how booze took her down and AA saved her

**OUT OF THE MADNESS** 

Step Seven begins: "My Creator, I am now willing that you should have all of me, good and bad." Why should I ask God to take over my good qualities in my Seventh Step Prayer? After all, I had been several months sober and there were many noble and honorable elements to my personality. WRONG! (A friend called this: thinking.) I was still using "pool room" alco-logical language, criticizing others; maintained "justified" resentments; smoking two packs of Lucky Strikes a day, etc. I guess I sort of skipped those defects/shortcomings in Steps Four and Five-I did not really know Good from bad! More was to be revealed the following months as I continued the maintenance stepsespecially Step Ten. As years passed, and I began living the true spirit of the maintenance steps, as they say: "More will be revealed" I was told to ask God to help me become aware these newly discovered personality defects and to use the suggested Step Ten directions to face and be rid of them. In time, my ego deflated to where I could see that my bad language was not normal, and it made me appear rather dull witted. My critical judgement of others began to diminish as I realized I was only seeing what was wrong with me! Also, those repeating thoughts of anger began to give way to joyous prayer. Seven months later my nicotine addiction went south and has never returned. Let us put it this way; the selfishness, dishonesty, resentment and fear I learned about myself in Step Four, began to diminish when I put Step Seven into action! The Seventh Step *prayer* was only a beginning. What a relief! That promise of a new freedom and happiness began to appear, but most importantly, that dreadful mental obsession finally began to disappear. I now realize that I had been trapped in a bondage of self for many years but putting Step Seven into action has set me free! Step Seven is a powerful tool! Thank you, God! Bob S

Are you like so many others in the AA Fellowship, experiencing a hang-up on the "spiritual awakening" bit? And, since the Twelfth Step calls for such an awakening "as a result of these Steps," do you perhaps feel that you have fallen short, despite your best efforts? If so, take heart from this former agnostic, for whom the word "spiritual" created an instant mental block. Actually, the word "awakening" is defined as "an arousing from sleep." It implies a dawning, a beginning, or quickening of interest, rather than an accomplishment in depth. Not many people have had the "flash of light" type of spiritual phenomenon. For most of us, spiritual insight comes subtly, gradually, and slowly. Dr. Harry M. Tiebout, AA's early and great friend from the field of psychiatry, suggests that the spiritual awakening begins in the recovering alcoholic when he simply ceases to rely on his own omnipotence and looks outside himself for help and guidance. If you have emerged from the cocoon of self sufficiently to feel love and concern for fellow members of your group, your family, and friends, and to feel responsibility to carry the message to the drunk who still suffers, the chances are that you have already had your spiritual awakening.

I was like a miner with a pick-axe. I had to burrow down deep into my mind just to find the answer to a question as simple as, "How are you?" The whiskey, wine and drugs of the 60's had removed all the usual signposts, paths, clues and history I used to define myself. My data banks were fried from the cultural and chemical overload our generation was subjected to. Aware that I should know the answer to the question and that I had once known it, I located many words that seemed right for the answer. But even with words ready, I still felt like I was answering a strange multiple choice test and could not figure out which was the right answer. "How are you?" concerned people would ask me repeatedly. They couldn't see the incredible amount of strenuous work I was doing to try to answer. Nothing, not a word, came out. My hippie husband would help me get dressed and sit me in a corner on the floor of the place we lived in then. Since our generation had an authority aversion, taking me to a doctor or hospital was out of the question. I was sure I was gone forever. My feeble attempt at slicing my wrists resulted in someone finding a band-aid. I was lost in a living coma, every day seeming to last an eternity. Then one afternoon, another hippie passed me a half-filled bottle of bourbon—100 proof. The fire sloshed down my throat and burned the madness right out of me. My first love, alcohol, saved me the minute we met up again. The next day, I drank a whole bottle and the next and the next until I finally knew the answer to that question: "I'm fine!" I was determined to get away from all these hippies, so I moved to California. There I discovered wine for \$1.49 per gallon. I had changed my address and changed the label on the liquor bottle-but I didn't change me. The night of my last drunk I was in my kitchen. I had achieved success in the corporate world, had a career, attache case, expense account and a very small world of three people I drank with. I couldn't get drunk and I couldn't get sober. Surely, I was living in a kind of purgatory. Alcohol no longer worked for me and I was blessed with that moment of clarity we all get. I knew beyond a shadow of a doubt that it had me; I did not have it. I said the alcoholic prayer that works every time, "God, help me." The next day I went where my doctor, back when I was 19, had told me to go. I went to AA. And it has worked for me ever since. AA has done for me everything alcohol promised to do. It's been many years now. I'm happy beyond my wildest dreams.

Office Managers COVID-19 Report for June Meeting 2020 Greetings Everyone,.

I've put together a brief synopsis of where we are currently standing here at the Central Office.

Hopefully you have received my emails but in case not, here is a current rundown of our finances. As you can see from the Budget reports provided, we were \$2,808.11 in the black for the month of May. This is due to the COVID-19 virus and the cancellation of many groups not being able to meet at their regular meeting places. We received \$9,565.38 in mail-in or brought in contributions. Our literature sales was \$6,767.55 for the month of May. Total income for the month of May was \$16,350.76. Our Cost of Goods was \$4,907.28 and subtracting COG from Total Income left us with \$11,443.48 profit for May. Our expenses for May were \$8,635.37. Subtracting our expenses from our Total Income, left us with \$2,808.11 in the black. A huge Thank You goes out to the Cardinal Group for their generous contribution, along with everyone else who has helped us pull through these lean months. Staff salary was quite low, since I only came into the Office as needed for paying bills, the newsletter, updating website-etc. Contract Labor was higher because Martin was here manning the phones and helping with the few customers that may come in. However, payroll was lower compared to if I had been here full time, so this did not hurt us. In spite of this we are now \$6,228.54 to the good for this year. We are in pretty good shape with most of our literature supplies for the time being. I will be ordering more, shortly, waiting to see how things go financially for the month of June and July. We currently have \$21,103.41 in our Money Market Account, \$24,531.93 in our Prudent Reserve and plenty of operating cash in our Checking Account, so I think we are okay for now. Once the groups get back to their regular routine, things should pick up.

Although we had scheduled a Board meeting in May, we could not have a meeting due to not enough members showing up. This was kind of expected due to COVID. It was not mandatory to be there. We will try again for a Board meeting in June (not mandatory) and there will be no Council meeting this month (due to COVID). If you need literature-etc., you will still get the 20% discount.

There will be no events put on by Central Office this year. All in all, we are still in good stable condition. Timothy S.

### SELF-SUPPORT-JUNE, 2020

☺ Today in June of 2020 we have 223 Groups with 536 meetings a week. Contributions in June totaled \$ 5,693.95. This accounts for what 38 Groups or individuals in our area have contributed in June. Included we also received \$ 230.00 from 6 members for the Birthday Club. Our total income for June was \$ 8,147.08. Our Total Cost of Goods Sold was \$ 1,609.71. Subtracting the Total Cost of Goods Sold from our June income left us with a Gross Profit of \$ 6,537.37. Our Total Expenses for June were \$ 6,735.53. Subtracting our Expenses from our Gross Profit gave us a Net Income of minus-\$ 198.16 for the month of June. In spite of the COVID-19 virus, our groups are still continuing to support us very generously. We thank you for your continuing support. As they say in the rooms of AA "this too shall past." No matter how good or bad it may appear that we are doing from one month to another, it takes your consistent contributions and support to keep us operating on a steady level. As our AA membership continues to grow in the Tampa Bay area, the demand for more and more material and services continue to expand and we continue to try and strive to keep up with the demand. That is only possible with your continued support. Thank you for all of your support !!!

AAs who carry the message often carry the Grapevine

The Birthday Club: Contributions to the Office help support the local services to Central members and groups throughout Hillsborough and East Pasco Counties and help ensure that the A.A. message is carried around our area. Members customarily contribute \$1, \$2 or even \$5 a year for each year of sobriety—others may give a penny or a nickel a day for each day of their sobriety. Ask your Treasurer if they have any Birthday envelopes available. We usually send one out when a group sends in their contribution to Central Office or call your Central Office. 933-9123 or email or aainfo@aatampa-area.org

### Alcoholics Anonymous, COVID-19 and Our Seventh Tradition

June 19, 2020

Dear A.A. friends,

We in A.A. – here at G.S.O., along with the rest of the world – continue to experience an unprecedented situation. Without question, due to the COVID-19 pandemic, our Fellowship, including our organized service structure, is facing enormous challenges, locally and globally. For many of us, the most prominent example is that, for the first time in the 85-year history of our Fellowship, we are navigating the lack of face-to-face meetings. While we have found creative ways to allow for the vital interaction between one alcoholic and another, and welcoming newcomers daily, it is clear that the health crisis has other far-reaching consequences. As we all adapt to the present reality of digital meetings, the question now is, "How do we responsibly practice self-support, our Seventh Tradition?" As we can no longer pass a physical basket, we are working to find ways to support the Fellowship at all levels, from our groups to Intergroups and Central Offices, from our Districts and Areas to the General Service Office itself.

The reality is that even though meetings, Twelfth Step services and operations have shifted to a virtual environment, expenses continue to accumulate during this crisis, which underscores the importance of practicing the Seventh Tradition. Through this crisis, however, we have witnessed the many ways in which the entire A.A. Fellowship has come together to provide ongoing support. Among them:

• Many home groups are still paying rent even though their meetings cannot convene. They are also providing online meetings on platforms that may have associated costs.

• Intergroup/Central Offices are still stocking needed literature and fielding Twelfth Step calls, redirecting A.A. members and those looking for recovery to online meetings.

• Area-level committees are working to keep channels open between the Fellowship and the delegates and board members that make up our General Service Conference, as well as to do public information, corrections and other service.

• G.S.O. in New York is continuing to support all levels of service. Literature still needs to be published and distributed, calls need to be answered, online platforms still need to be updated, and support operations sustained.

In an effort to keep the membership informed during this challenging time we would like to share a brief three-minute video update from Leslie Backus, the Class A (nonalcoholic) treasurer of our General Service Board.

Please feel free to pass this information along to members and groups in your Area to watch on their own time or to play before their online meetings.

We are so grateful for your time and attention, your dedicated service and - always - your generous support.

Yours sincerely, in fellowship,

ager

G. Gregory Tobin General Man-
