## November, 2023

## A SUGGESTION FOR THANKSGIVING BY BILL W. 1949

The premium that A.A. members put on gratitude led to the custom of designating November as "gratitude month." (In Canada, it's October.) This practice started in the 1940's, when the General Service Board held small "gratitude dinners," which were replaced in the 1960's by bigger and more elaborate "gratitude luncheons." These affairs, which Bill W. would address, were occasions for A.A. members to express their appreciation for the program. More important, it was A.A.'s opportunity to meet with members of the media to thank them for their sympathetic coverage. Why November became Gratitude Month in the U.S is uncertain. It may have something to do with Bill W.'s mistaken notion for a time that his sobriety began in November, instead of it's actual start date of December 11. Or, it might be that Thanksgiving is in November. Some groups will hold Traditions meetings in November to remind themselves of the rich heritage of A.A. Others conduct topic meetings of various aspects of gratitude, such as "gratitude is not passive" or "giving it away." During the year, many members of the Fellowship send a gratitude gift of one or two dollars for each year of sobriety on their anniversaries to their local intergroup or to the General Service Office. Of course, individual A.A. members express gratitude for their sobriety in quiet ways throughout the year. Showing up early to set up a meeting or taking a meeting into a detox are ways of demonstrating gratitude for a life-saving program of recovery. The A.A. member who takes a call in the middle of the night from an alcoholic who needs to talk is expressing thanks for Alcoholics Anonymous. G.S.O. files contain correspondence from A.A. members who have written for no other reason than to talk about why they are grateful for A.A. Michael M., in Sparks, Nevada, says in one letter: "The program of A.A. has given me the hope and sanity that alcohol had taken from me so many years ago." Enclosed in a letter from Bob H. of Neudorf, Saskatchewan, is a quote from Austin R., an alcoholic priest in recovery, who said: "the one imperative to happy, permanent, effective sobriety for any A.A. member is the simple virtue of gratitude." As Bill W. wrote in a letter in 1959, "if you carry the message to others, you will be making the best possible repayment for the help given you."

The idea is in the air that AA might adopt Thanksgiving week as a time for meetings and meditation on the Traditions of Alcoholics Anonymous....I heartily agree...and hope you will Pre-AA, we alkies could sometimes achieve that dubious too. state called "sobriety, period." How bleak and empty this alleged virtue is, only God or a dried-up drunk can fully testify. The reason? Of course every AA knows it: nothing has taken the place of the victim's grog; he's still a man of conflict and disunity. Comes then the Twelve Steps of Recovery, bringing to him a "personality change." The shattered prospect feels reassembled; he now says he seems all one piece. We understand exactly what he means, for he describes the state of being "at oneness"; he is talking about personal unity. We know he must work to maintain it and that he can't stay alive without it. Will not the same principle hold true for AA as a whole? Isn't it also a fact that the alcoholic is in no greater peril than when he takes sobriety for granted? If vigilant practice of sound principle is a matter of life and death for him, why isn't that equally so for the AA group, and for our far-flung Society itself? Yet many of us still take the basic unity of Alcoholics Anonymous for granted. We seem to forget that the whole modern society is on a dangerous and contagious "dry bender." We evidently assume we are so different from other men and women that disintegration can't hit us. Our unity appears as a gift of Heaven; something to be perpetually enjoyed by us AAs quite without effort. Criticism is not intended, because our present attitude is natural enough. It stems from the fact that no Society in it's infancy has ever enjoyed more providential protection against temptation and untoward happenings than has ours. Minor troubles we have had, but none serious enough to test our adult strength. It's not strange that we are a bit complacent and self-satisfied. Surely there need be no counsel of fear, nor lack of faith in the prediction that a far greater time of trial may yet be ours. When we think our situation through, simple prudence and foresight will tell us that. The Twelve Traditions of Alcoholics Anonymous are a distillate of our experience of living and working together. They apply the sprit of the Twelve Recovery Steps to our group life and security. They deal with our relations with the world outside and with each other, they state our attitudes toward power and prestige, toward property and money. They would save us from tempting alliances and major controversies, they would elevate principles they request that we maintain personal anonymity before the open public as a protection to AA and as proof of the fact that our Society intends to practice true humility. For the information of the general public and for the instruction of new AA members, the Twelve Traditions have just been released in a much condensed "short form" which we hope will be as widely read and understood as the Twelve Steps of Recovery. Should this happen, our current growing pains will be lessened and we shall commence to lay up a great store of insurance for the years ahead. What then could be more appropriate than to set aside Thanksgiving week for discussion of the practice and spiritual values to be discovered in our Tradition?

It is okay if you have never been to jail yourself! You can still help. You can still carry A.A.'s message of hope to an alcoholic who is incarcerated.

## DR. BOB

Simplicity, devotion, steadfastness, and loyalty; these were the hallmarks of Dr. Bob's character which he has well implanted in so many of us." - Bill Wilson.

#### ROBERT HOLBROOK SMITH, M.D. 1879-1950

Dr. Bob was born August 8, 1879, in St. Johnsbury, Vt., the only son of Judge and Mrs. W.P. Smith, who were prominent in civic and social activities of that city. Though often rebellious against the strict authority of his parents, "Rob," as his schoolmates called him, was willing to work hard to attain whatever he sincerely wanted; by the time he was nine, he knew he wanted to be a physician. In his teens, he spent parts of his summers working on a Vermont farm and in an Adirondack summer hotel. Despite his dislike of school, he was a good student and graduated from St. Johnsbury Academy in 1898. He spent four years at Dartmouth College, graduating in 1902. It was during these school years that drinking became a major activity, though in those days he was never involved in serious trouble because of it. Three years later, having worked at various jobs in Boston and Montreal, he entered the University of Michigan as a premed student. Here, the pace of his drinking accelerated, and in his sophomore year he left school temporarily, feeling he couldn't complete his course. But he returned, took his exams, and passed them. In 1910, after further training at Rush Memorial College in Chicago, he received his medical degree and secured an internship in City Hospital, Akron, Ohio. Completing his internship in 1912, he opened an office in the Second National Bank Building in Akron, remaining there until his retirement in 1948. In 1915, he married Anne Ripley, whom he had met while attending St. Johnsbury Academy. As time went on, his alcoholism progressed steadily, yet he was able to function, and few of his colleagues knew how serious his illness was. Besides being an active member of the City Hospital staff in Akron, he often visited St. Thomas Hospital, also in Akron, where, in 1928, he met Sister Ignatia for the first time. Later, in 1934, he became associated with St. Thomas and in 1943, became a member of the active staff. In the early thirties, Dr. Bob, in desperate search for an answer to his problem, began to attend meetings of the Oxford Group, feeling he could benefit from its philosophy and other spiritual teachings. Though he continued to drink, he maintained his activity in the group, due in large part to Anne's deep interest. In May 1935, a meeting with another alcoholic, Bill Wilson, led to his own permanent sobriety and to the formation of the Fellowship of Alcoholics Anonymous. It is estimated that Dr. Bob, with the help of Sister Ignatia, guided some 5,000 fellow alcoholics to recovery during his 15 years of loving ministry to them. What manner of man was Dr. Bob? According to his son: "He had tremendous drive, great physical stamina. He was reserved and formal on first acquaintance, but as you came to know him, he was just the opposite: friendly, generous, full of fun - he loved a good joke. Regarding A.A., he tried to make every decision in the best interests of the group, to the exclusion of any personal advantage. He never ceased to be surprised that so many people sought him out, but felt he had only been God's agent and so was not due any personal credit." Bob and Anne lived simply; if he had any pride of possession, it was for cars. Next page 1

### **DR. BOB...continued**

He played bridge expertly, always playing to win! An avid reader, he read for at least an hour each night of his adult life, "drunk or sober." He was a fight fan, succumbing finally to television so he could watch the fights. He held three concepts in particularly high regard. One was simplicity - in his own lifestyle and in practicing the A.A. way of life. Second, he believed in tolerance of other people's ideas, in speaking out "with kindness and consideration for others," and in "guarding that erring member, the tongue." Third, he believed that one's job in A.A. was to "get sober and stay sober" and "never to be so complacent that we're not willing to extend that help to our less fortunate brothers." Dr. Bob firmly believed that "love and service" are the cornerstones of Alcoholics Anonymous. He died of cancer at City Hospital, Akron,

November 16,1950.

#### A SUGGESTION FOR THANKSGIVING BY BILL W. 1949 continued from Page 1

We could thus reinforce our faith in the future by these prudent works; we could show that we deserve to go on receiving that priceless gift of "Oneness" which God in his wisdom has so freely given to us of Alcoholics Anonymous in the precious years of our infancy.

## **RED CHIP DAY**

In 1943 there were only two A.A. groups in Tampa. One was the Victory Group and the other one was the DeSoto Group. There were a limited number of meetings. After about four years, The DeSoto Group started having an anniversary banquet. In 1947 the first anniversary banquet was held at the ballroom of the Old Hillsborough Hotel. There were between 350 and 400 people present. They came from all the surrounding areas, Lakeland, Bartow, Sarasota, Bradenton and St. Pete. The first banquet speaker was Horace M. from Texas. After that, if a person had around five years sobriety, he became the speaker for this event. Back then five years was a long time. A few years later there was a man who came here from Baltimore, MD., bringing with him the idea of the chip system as we know it today, telling that it works as a reminder of what we are trying to do. So eventually the meeting changed from the Anniversary Banquet to Red Chip Day. It was the one time during the year that everyone would join together to honor all the members that had red chips. It was a day of Fellowship and Food and Meetings. The money that was taken up was sent to General Service in New York to show gratitude. It then became a traditional event down through the years. For many years now, several groups in the Brandon area now come together in a spirit of Unity, in both money and time, to carry out this as an annual gratitude meeting, sending all monies above the expenses to the Central Office. In this way we can show our gratitude and continue to help other still suffering alcoholics. C.O.A.

Gratitude is an Action word. If you are really grateful...show it, not in talk...but deeds. We can all say nice, philosophical, like I know what I'm talking about stuff but, do we walk the walk!

SELF-SUPPORT-OCTOBER, 2023

© Today in SOctober of 2023 still COVID has changed the way many groups contribute to the Central Office. Some groups have remained steady in their contributions, some groups have gone to ZOOM, A few ZOOM groups have made some contributions and some groups are Hybrid (in-person & ZOOM), other groups have folded for a lack of a space to have their meeting and some new groups are starting up, and now many groups are getting back to normal pre-pandemic live meetings. Things are looking up and getting better. It's certainly a time to renew our efforts and practice the meaning of the Serenity Prayer a little bit more. We currently have 198 Groups in the Hillsborough-East Pasco area with around 520 meetings weekly. Also we have 40 Zoom Groups with 113 meetings weekly (If I counted correctly). Contributions in October totaled \$13,740.61. This accounts for what 34 Groups or Individuals in our area have contributed in October, also included is, \$1,840.86 from 13 Groups or Individuals who made contributions through PayPal. The Promises Group Anniversary Dinner and in collaboration with the Sisters in Sobriety Group raised \$5000.00 for the benefit of the Central Office. Our literature sales for October was \$4,372.79. This includes sales from A.A. material and non-A,A, material (medallions-etc.) Our total income for October was \$18,113.40. Our Total Cost of Goods Sold was \$3,554.14. Subtracting the Total Cost of Goods Sold from our October income left us with a Gross Profit of \$14,559.26. Our Total Expenses for October were \$10,159.73. Subtracting our Expenses from our Gross Profit gave us a Net Income of plus+\$4,399.53 for the month of October. We still have a good Prudent Reserve, all our bills keep getting paid, the lights are on, we have a decent amount of literature available, the phones are working and it is still looking like 2023 just might be a better year to look forward to. Thank you for your support. Thank You!!!O.M.

These questions were originally published in the AA Grapevine in conjunction with a series on the Twelve Traditions that began in November 1969 and ran through September 1971. (The 12 Traditions were created to help each A.A. group maintain unity and relate better to the world about us. With that in mind, they have been widely used in helping us learn how to be in better relationships with everyone in our life. Below is a snapshot inventory you can take to see how well you are honoring the spiritual principle found in this Tradition.) Tradition Eleven: Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films. 1. Do I sometimes promote AA so fanatically that I might make it seem unattractive? 2. Am I always careful to keep the confidences shared with me as an AA member? 3. Am I careful about throwing AA members' names around-even within the Fellowship? 4. Am I ashamed of being a recovered, or recovering alcoholic? 5. What would AA be like if we were not guided by the ideas in Tradition Eleven? Where would I be? 6. Am I careful not to identify myself or others as members of AA when I post certain things on social media, such as Facebook, Twitter or Instagram? 7. Is my AA sobriety attractive enough that a sick drunk would want such a quality for himself? 8. If my group has its own website, have we considered this Tradition when we designed it, how accessible it is, and the type of content that it offers?
